

Building Act 1993
Section 238(1)(a)
Building Regulations 2018

CERTIFICATE OF COMPLIANCE FOR PROPOSED BUILDING WORK

This certificate is issued to: Speedpanel Holdings Pty Ltd
421 Dorset Road, Bayswater VIC 3153
AUSTRALIA

This certificate is issued in relation to the proposed building work at: N/A

Nature of proposed building work:

Construction of a *new building/*extension/*alteration

*Storeys contained – Any

*Rise in storeys (for Class 2-9 building only) – N/A

*Effective height – N/A

*Type of construction – N/A

Version of BCA applicable to certificate – NCC 2019, BCA Volume 1 or 2

Building classification:

Part of building - Any

BCA Classification: Class 1 to Class 10 Buildings

Prescribed class of building work for which this certificate is issued:

Design or part of the design of building work relating to *Structural matter

Documents setting out the design that is certified by this certificate

Document no.	Document date	Type of document	Pages	Prepared by
<i>Speedpanel External Wall Systems Brochure Edition 1, 1st Release, v1 14/02/2020</i>	14 February 2020	Specification	29	Speedpanel Holdings Pty Ltd 421 Dorset Road, Bayswater VIC 3153

***Performance solution**

A performance solution forms part of the design certified by this certificate. The performance solution complies with the following performance requirements of the NCC

Relevant performance requirement	Details of performance solution required by regulation 124
NCC BCA Vol.1 FP1.4, NCC BCA Vol.1 P2.2.2	Detailed description of the basis of a performance solution is provided in: <i>Acronem Consulting Australia, Report No: ACA191017 200220, February 20th, 2020, SPEEDPANEL EXTERNAL WALL SYSTEM, NCC 2019 WEATHERPROOFING APPRAISAL – EXTERNAL WALL SYSTEM.</i>

	<p>Specific references to required details are listed as;</p> <ul style="list-style-type: none"> (i) the assessment method or methods; (see Appendix A) (ii) the details of any expert judgement; (see Section 4) (iii) the details of any tests or calculations; (see Appendix D) (iv) the details of any standards or other information; (see Table of Contents, Appendix B for Qualifications and Experience, and Appendix C for reference to Specifications).
--	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

The design certified by this certificate complies with the following provisions of Building Act 1993, Building Regulations 2018 or National Construction Code

Act, Regulation or NCC	Section, Regulation, Part, Performance Requirement or other provision
NCC 2019, BCA, Vols.1 & 2	- FP1.4 & P2.2.2 regarding the weatherproofing performance of external walls of buildings.

I prepared the design, or part of the design, set out in the documents listed above.

I certify that the design set out in the documents listed above complies with the provisions set out above.

I certify that the performance solution referred to above complies with the performance requirements listed.

I believe that I hold the required skills, experience and knowledge to issue this certificate and can demonstrate this if requested to do so.

Engineer

Name: Cameron Chick BE(Hons), Ph.D, GC.Com.(Mktg), M.AIRAH, RPEQ
